### CONCORDIA PLACES TWO ROOKIES ON SOCCER ALL-CANADIAN TEAMS

Defender Larry Corso of the Concordia men's soccer team and midfielder Leslie Clements of the women's soccer team were named second team All-Canadians this past weekend.

Corso, a first year Stinger, made an immediate impact on the first place Stingers' soccer team.

"Larry is one of the toughest players in Quebec, especially in the defensive zone," says Stinger Coach Dwight Kennedy.

"He is fantastic in the air, has a great attitude and is very intense."

Clements, also a rookie, was a leader for the women's soccer team throughout the season. She was named to the Q.U.A.A. all-star team this year and scored 3 goals in league play. "Leslie is dedicated and gives 100% at all times," says Coach Kathy Lipari. "She demands a lot from herself and is a true leader on and off the field."

Both players are from Montreal and compete for the Quebec select teams in the off season. With players like Corso and Clements, expect the Stingers soccer teams to contend for national titles in 1988.
